Special Voters'/Congregational Meeting

Sunday, June 4 at 10:15 AM

We would like to encourage voting and non-voting members to attend this meeting. There will be a local law enforcement officer to present information regarding "Active Shooter" situation.

He has special training with the FBI and has presented a similar program to ZCA staff. There has been discussion whether or not to keep our church doors locked during our worship services. There is both support and opposition regarding this. Please attend to ask questions and voice your opinion.

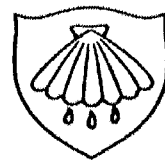

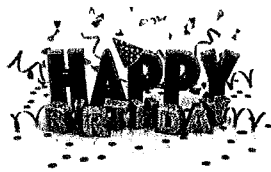

Other items on the agenda include approval of a proposal to install protective film on our entrance doors for additional security; proposal to update the lighting in the sanctuary; update on installation of new floor covering in the sanctuary and narthex. There are designated gifts and memorials for the floor covering and lighting projects.

Parking Lot Project: Phase 1 is tentatively to begin in early June, possibly June 5. It involves removing the asphalt, leveling and filling areas that need extra dirt work, followed by applying a thick layer of crushed concrete. It is expected to take about two weeks to complete. During this time, people attending worship service should enter the driveway north of the sanctuary and park in the graveled or grassy area north of the driveway. You will be able to enter church through the doors on the north side of the sanctuary. Volunteers will provide valet parking for those who need special assistance by driving your vehicle to the entrance of the narthex.

St. Paul Lutheran Church in Doniphan invites you to celebrate with them the dedication of their new organ on **Sunday, June 4 at 4:00 PM.** Guest organist will be Shawn Pfanstiel, organist at Grace Lutheran Church in Grand Island. His concert will include a hymn fest of music covering the Church Year. Refreshments will be served following the dedication.

Vacation Bible School will be on **Saturday, June 10, 2023 from 9:00 AM to 2:00 PM.** The theme for this year is "Running for the Prize" You are encouraged to invite neighbors, friends and grandchildren. IT'S NOT JUST FOR ZION MEMBERS. Please register by calling or texting Staci at 402-705-2924.

There is a sign-up sheet for donations on the table in the back of the church.

Men at Work

There have been a crew of men working many hours, almost every Saturday for many months to remove pipe (much of it copper), old heating/AC units, removal of the old showers in the locker room basement and whatever other odd jobs that needed to be done. There was quite the stash of heavy metal being moved by these gentlemen, the youngest of the group being 60 years old. Money received for the recycled metal to date is \$6,665.55 and we are waiting for an additional check for the most recent load of scrap metal.

If you look closely at the above picture, you may not recognize 5 of the gentlemen, and they indeed are under the age of 60. These 5 volunteers are football players for Hastings College. They volunteered their time and MUSCLES to load a dumpster full of very heavy scrap metal that was stacked in the basement. What a joy it was to have these individuals assist our “young at heart” members with this heavy task. You won’t see Roger Sittner in the pictures. That is because he took the pictures. You can be sure that he was here every week along with the rest of the crew.

Thank You!
